

A Catalogue of Plant found in the
Prov. of Coquimbo, Republic of Chile.
S. lat 27-32° - Collected by Thomas
Bridges - 1841

No. 1279-1427

(1)

of Meers. Ill. Solan. pl. 2: 25 foot note.

Thomas Bridges

Chile ✓ copy of list at London.

- 1279 *O bunch. fl. greenish yellow: hills betw. Copapo & Huasco.
1280 *Mathewsia brennis* Bridg. [*Mathewsia auriculata* Ph! Kun]
♂ 1-2 ft. fl. yellow; hills near Los Pozos betw. Huasco & Copapo, very rare.
1281 *Mathewsia lanata* Bridg.
♂ 1 ft. fl. yellow; mts. near the silver mines of Argueros - *Schizopetalum lunatum* Meers?
1282 *Schizopetalum Walpervii* [*Schizopetalum breserianum* Ph!]
♀ 2-1 ft. fl. white; sandy place near in coast in Prov. of Coquimbo; abundant.
1283 - 3 bunches fl. white; with last but rare.
1284 "Chañar", ♂, 8-20 ft. fl. yellow; very of Copapo; fruit is an oval sweet fleshy pericarp.
It is eaten by the natives, also by all kinds of cattle, the seeds are hard enclosed in the
grooves of the ancient Indians & it no doubt formed a principal part of their food, as it
may be dried in the sun & preserved for a considerable time - the tree is said to
have been held sacred by the Indians.
1285 *Phaca* (Astr. Doct. Ph!)
O, 1 ft. fl. white, found near Huasco.
1286 *Adesmia glutinosa* Bridg. (*Adesmia monosperma* Clos !!)
♂, 1-2 ft. fl. yellow; mts near mines of Argueros, rare, leaves viscid, petals & milken
would be a better name - new, as the seed vessel seldom contains more than 1 seed.
1287 *Adesmia* (*Adesmia elata* Clos !!)
O, 1 ft. fl. yellow; valley near coast betw. Huasco & Copapo.
1288 *Adesmia* (*Adesmia pedicellata* H & A in fruit)
O, 1 ft. fl. yellow; with last.
1289 *Adesmia*
"Varilla Blanca" ♂ 4-8 ft. fl. yellow; with last.
1290 - (*Eragrostis multifoliolata*!)
♂, on mts near mines of Argueros - plant procumbent & gives singular smell when green.
1291 *Acacia*
♂ 2-4 ft. fl. purple. on sandy plains betw. Huasco & Coquimbo, rare.
1292 - *Caesalpinia agulicumbis* (type of *Zuccag. agulata* is this species!)
"Porrotillo" i.e. ♂ 2-4 ft. fl. yellow with last Coquimbo, plains.
1293 - *Caesalp. brevifol.*
"Algarrobo" ♂ 4-6 ft. fl. yellow; on plains & sides of mts. betw. Huasco & Copapo, the
seed vessels are used for tanning, & also for making ink - the seed vessels when
ripe & pressed are a good oil "Cienfuegos" & Octodon Cumingii & are described by them in their
caves in large quantities.
1294 - [*Dumagonum Bridgesiana* Juss!]
♂ 1-3 ft. fl. yellow; on plains near city of Ballenas, Valley of Huasco, rare.
1295 *Cassia* (*Cassia Cumingii* H & A !!)
♂, 3-5 ft. fl. yellow; valleys near Ballenas.
1296 *Monnina*?
♂ 1-2 ft., found on plains near Huasco.
1297 *Cordia decandra*
"Carbon" ♂, 8-5 ft. fl. white; common in valleys & mt. slopes near Huasco & Copapo.
1298 *Lobelia crispata* Bridg.
O 1 ft. fl. purple, mt. sides near Panguano in Valley of Elqui - rare.
1299 *Philadendron fruticosum* Bridg. i. new.
♂, fl. yellow, sandhills betw. Huasco & Coquimbo - This is a most beautiful and natural
of plants - if new call it *Philadendron* or some name that implies a Beauty & a
Lover of the Land.

1300. *Phlarenia Hodsonii*
fl. yellow., comes near preceding but probably distinct. It is less pubescent & it was not the sandy character - named in honor of my friend & patron, W. S. Hodson, Esq. Asst. of the Bury Botanic Garden. Found betw. Huasco & Copacapo on sand-hills & plains.
- 1301 *P. annua*
O 4-6 in., yellow fl., a charming little annual abundant on hills near Huasco.
- 1302 *P. albyflora*
fl. 6 in., fl. yellow. sandy valleys near Huasco - the involucre? is sometimes white & sometimes yellow & sometimes Rose color - few plants in the world of Chile can vie with the when seen in full flower & lying prostrate in the sand.
- 1303 - (*Rulnesia chilensis* = *Thysanotus chil.* Turcz.)
"Rotamo, the span. name for Brown" 3, 4-6 ft. fl. yellow; mts. near Characillo, dept of Copacapo.
- 1304 - (*Pintea chilensis* !!)
3 1-3 ft. fl. yellow; near "El Totoral" betw Huasco & Copacapo - a rare & shrub, procumbent.
- 1305 - (*Larrea nitida*!)
"Jarillo" 3 4-8 ft., in valley of Egui near the Andes.
- 1306 *Crustaria glaucophylla* (vel aff.)
fl. 1-2 ft., fl. purple; sandy places along coast near in Prov. Copacapo.
- 1307 *Crustaria repens* Bredg. (cf. *lata* Turcz. - *C. aspera* Gay?)
fl. purple, with last.
- 1308 *Crustaria* (*C. grandiflora* Turcz. related to *diversifolia* & *divaricata* & perhaps only a large-flowered variety form of latter.)
"Malvilia" O, 1 ft., fl. purple; abundant in mts & valleys betw Copacapo & Huasco.
- 1309 *Crustaria* (*C. divaricata* H. vel aff.)
O 1 ft., light green, valleys, Huasco, abundant.
- 1310 *Jula*? (*J. haseniana* at Huacabambas here or close to it.)
3 2-3 ft. light purple, sandy places near city of Copacapo.
- 1311 - (*Crustaria sericea* Turcz. = *C. vevodilenta* = *lata* Turcz. 3237 - May 11/47)
3 1 ft. light purple, betw. Huasco & Copacapo.
- 1312 *Tecophilaea caerulea* Bredg.
"Azulillo" 4 1 ft., light blue, hills in desert betw. Huasco & Copacapo.
- 1313 *Tecophilaea*
fl. red, barren stony hills betw. Huasco & Copacapo.
- 1314 *Oenothera*
O 1-2 ft. yellow, sandy plains betw Huasco & Copacapo.
- 1315 *Brodiaea narconitoides* Bredg. (*Leucocoryne caerulea* Lindl.)
"Narcissoides" 4 1-2 ft., fl. white & yellow; sandy plains betw Huasco & Copacapo.
- 1316 *Amargilla*
"Cianca laci" 4 1-2 ft., fl. red, plains - Copacapo with last. plains Copacapo.
- 1317 *Ornithogalum*
"Cebollina" 4 1-2 ft. fl. white; with last. plains Copacapo.
- 1318 *Conanthera aggregata* Bredg.
4 4-6 in. fl. purple flowers, sandy plains betw. Huasco & Copacapo.
- 1319 *Cranthus vivipara* Bredg.
4 1-2 ft. fl. white, sand hills, abundant near city of Copacapo.
- 1320 *Solanum*
4, 1-2 ft., fl. dark purple, sandy plains betw. Huasco & Copacapo - a splendid species.
- 1321 *Valeriana*.
3, 1-2 ft., valley of Huasco.

- 1322 *Nolana alba* Bredg. (! = *Alana baccata* ^{type} the 1323 - herb. Hook. = linearis of Meis. = 1323 h. Hook.)
O. bunch. fl. white abundant on sandy plains & hills betw. Copapo & Huasco
- 1323 *Nolana leucophylla* Bredg. (*Alana ericifolia* Meis. as no. 1325 - h. Hook.) = *coelestis* = 1325 h. Hook.
3 2-3 ft. fl. pale blue near coast betw. Huasco & Copapo.
- 1324 *N. frutescens* Bredg. *Folia clavata* Meis. type. OK herb. Hook.
3 1-3 ft. fl. pale blue. with last near coast, Copapo.
- 1325 *N. paradoxa*? (*Nolana serena acuminata* Meis. = no. 1322 - h. Hook.) = 1322 herb. Hook.
"Cuchipapa" O 1 ft. fl. blue with last
- 1326 *N. leucophylla* Bredg. (! = *Alana rostrata* Lindl. var. Type = 1327 in herb. Hook.)
3 1-2 ft. blue; near city of Ballenas in dry stony places
- 1327 *N. leucophylla* flores alba. (! = *Alana rostrata* type of *A. obtusa* Lindl. = 1326 = herb. Hook.)
3 1-2 ft. fl. white with last
- 1328 *N. imbricata* Bredg. (! = *Helona carnea* Lindl. var. Type) OK herb. Hook.
3 1-2 ft. pale blue, near Port of Perra Blanca betw. Huasco & Copapo.
- 1329 *N. speciosa* Bredg. (*Alana coelestis*) OK in herb. Hook.
3 1-3 ft. dark blue. mts. near town of Freirina, valley of Huasco, a splendid flower
- 1330 *N. Sabanales* Bredg. (*Bergamantia sedifolia*) = 1336 of Lindl. Bot. Reg. 30 t. 46. = 1331 h. Hook.
3 1-3 ft. fl. white. coast betw. Huasco & Copapo.
- 1331 *Periphragmos*? [*Phoradendron microphyllum* Meis. var. = 1330 herb. Hook.]
3 3-5 ft. fl. white. dry valley betw. Huasco & Copapo
- 1332 *Periphragmos* var.? [*Phoradendron Bridgesii* Meis. var. = OK h. Hook.]
3 2-3 ft. fl. white near Freirina, valley of Huasco
- 1333 *P. var.*? [*Phoradendron nodosum* Meis. var. = OK h. Hook.]
3 2-3 ft. fl. white near the Andes Valley of Copapo
- 1334 *Lycium*? [*Lycium implexum* Meis. var.] OK h. Hook.
"Carpiche" 3 4-6 ft. fl. white with last.
- 1335 *Fuchsia lycioides*
3 4-8 ft. fl. red. near coast betw. Huasco & Copapo.
- 1336 - (*Dondia multiflora* Th.)
3 3-5 ft. fl. green, salt marshes & valleys near Huasco & Copapo.
- 1337 *Schmiedeknechtia dependens* Orl. var. (leaves ovate) = *Pelocelis myranchus* Turcz.
3 6-15 ft., in valley of Elqui near Villa Vicuña
- 1338 *Heliotropium molleissimum* Bredg.
3 fl. white, on barren & stony hills betw. Huasco & Copapo
- 1339 *H. parviflorum* Bredg.
3 1 ft. fl. white; mts. near the Andes valley of Copapo
- 1340 *H. virgatum* Bredg. "Palo Negro" 3 1-2 ft. fl. white, on sand hills desert betw. Copapo & Huasco
- 1341 *H. glabrum* Bredg.
3 fl. white, dry valleys & hills betw. Huasco & Copapo.
- 1342 *H. asperum* Bredg.
3, 4-6 ft. fl. white, with last.
- 1343 *H. leucophyllum* Bredg.
3 3-4 ft. fl. white; with last.
- 1344 *Calceolaria*
3 1-2 ft. fl. yellow, valleys near Freirina, Vall. of Huasco.
- 1345 *Gardouquia*? *tribola* Bredg.
3 4-6 ft. fl. white; valley of Copapo near the Andes. - rare
- 1346 *G. densiflora*
3 4-6 ft. fl. white, valleys near city of Ballenas
- 1347 *G. laevigata* Bredg.
3 4-6 ft. fl. white, on mts. near mines of Argueros.
- 1348 *Buddleia parvifolia* Bredg.
3 4-8 ft. fl. yellow, valleys near the Andes of Copapo, Valley of Elqui.

- 1349 - 4 1-2 ft. fl. yellow, sandy plains betw. Copapo & Huasco
- 1350 - 4 1-3 ft. fl. purple, on mts. near village of Andacolla
- 1351 - 4, fl. yellow, on mts near Silver Mines of Argueros
- 1352 *Atharexylon*? (*Monttea chilensis*?)
3 6-10 ft. fl. pale purple, valley of Elqui near city of Copumbe
- 1353 *Verbena rigida* Boid.
3 3-5 ft. fl. purple, near coast north of City of Copumbe
- 1354 *Verb. albiflora* Boid.
0 1-2 ft. fl. white; moist places valley of "Barasa" Prov. Coz.
- 1355 *Schizanthus pinnatus*?
0, 1-2 ft. fl. pale purple, along coast near city of Copumbe.
- 1356 *S. nevalis*
0, 1-2 ft. fl. white, on hills near Valley of Huasco
- 1357 *Teucrium*, -
3 2-3 ft., on mts. & valleys near Villa Vicuña
- 1358 *Justicia*?
"El Cerro del Camaron" 4, 1-3 ft. fl. light purple, marshy places near the Andes Valley of Elqui
- 1359 *Boerhaavia*? (*Oxybaphus ventris*?)
3 1-3 ft. fl. light purple, near the Andes, Valley of Elqui
- 1360 - 0 6 in. fl. light purple, on mts near Villa Vicuña, Valley of Elqui
- 1361 - 4, 2-3 ft. fl. light purple; near Andes, Valley of Elqui - this plant produces a most disagreeable smell - similar to rancid butter - the whole plant is clammy
- 1362 *Loasa lucida* Boid. (*Loasa elongata*)
0. 4-6 ft. fl. white climbing bushes along coast near city of Copumbe. - a very fine species & very distinct in its character (shiny leaves)
- 1363 - omitted in list!
- 1364 *Loasa angulata* Boid. (*Loasa chilensis*)
3 1-3 ft. valley of Copapo near Andes - rare.
- 1365 *Democarpus*
"Amarcanay" 3 3-5 ft. abundant in valleys near Huasco. (rare!) Is not this plant just *Cochlospermum coerulescens*; a clammy plant in its native valley.
- 1366 *Bowlesia* (*integrifolia*)
0. 6 in. fl. white on hills betw. Huasco & Copapo
- 1367 - 0 6 in. fl. white, mt. near the Andes, Valley of Elqui
- 1368 - (*Buxifolia*)
0. 6 in. fl. yellow, on mts near Huasco - rare
- 1369 *Mulinum totiastrum* Boid. (*Gym. flesuosum*)
3, 1-2 ft. fl. yellow, on mts. near the Andes, Vall. of Elqui 4-5000 ft.
- 1370 *M. glaucum* Boid. (*Gymnaphytum* sp.)
3 2-4 ft. fl. yellow, near Andes of Copel - 4-5 ft. (sic!)
- 1371 *M. gogonum* Boid. (*Gym. robustum* = *Poloenicenia nuda* Turcz.)
"Monte de Burro" 3 4-8 ft. fl. yellow, mts near Mines of Argueros
- 1372 *Ranunculus cymbalaria* Turcz.!
4 6-1 ft. fl. yellow, marshes near town of Copapo.
- 1373 *Gnaphalium*?
3 1-2 ft. fl. white, on mts. near Valley of Huasco.

- 1374 *Dioscorea*.
4, sandy soil + betw Huasco & Copapo
- 1375 -
"Cuerno de Cabra" 3-4 ft fl. yellow, with last; this most ~~unusually~~ shrub in its genus from its singular seed-vessels which are found on the seeds ~~surrounding~~ plant - plant somewhat procumbent
- 1376 -
3, climbing bushes & acaes near valley of Huasco.
- 1377 *Alsobornia Freireana* Br.
"Pato de Leon" 4 ft. dark red, This most elegant sp. of *Alst.* is very rare being only found on mts. near the little town of Freirena. It is called P. d. L. - very difficult to dry - the stems break on the ground & the beauty of the flower lasts for a considerable time, ^{when} having these stems in water - tubers globular
- 1378 *Alst.*
"Lirio del Campo" 4 6 in. fl. yellow, sandy places near city of Coquimbó
- 1379 *Alst. pallida*?
4 1 ft. fl. light purple on mts. near Villa Vicuña
- 1380 *Alst. pelagrina*?
"Pelagrina", 1-3 ft, fl. purple, along coast near Coquimbó
- 1381, *Tetragonia*
O. fl. yellow in sandy places near Huasco.
- 1382 *Tetrag.*
3 1-2 ft fl. yellow along coast in rocky places near Port of Copapo
- 1383 7.-
3 1-2 ft yellow, ~~in~~ on hills betw. Huasco & Copapo.
- 1384 7.-
4?, in valleys near city of Coquimbó.
- 1385 *Boerhaavia*?
4 1 ft fl. purple, with last.
- 1386 *Viola stilbata*?
O. fl. yellow, on hills near Huasco.
- 1387 - [*Microphyes litoralis* Ph. ! new]
O. fl. white, with last.
- 1388 *Pylosylis*.
O. fl. purple, on mts. near mines of Coquimbó.
- 1389 *Salpiglossum*? (*Salpig. chilensis* = *Pteroglossum* Miers).
4 1 ft. in dry stony places valley of Huasco.
- 1390 -
3 6-8 ft. in fields near town of Coquimbó
- 1391 -
4 1-2 ft. on mts near Andacolla
- 1392 *Atriplex*
3, near Huasco
- 1393 -
O, near Coquimbó
- 1394 *Oxalis arborea* B.
"Churco" 3 4-5 ft. on hills in dry valleys near Huasco
- 1395 *Krameria cistoides* H. & A. !
"Pacul" 3 fl. purple, with last; root used as red-dye.

- 1396 *Centauria chilensis* (this plant is probably *Cent.* 1390 at Kew it is *C. chilensis*)
 3 2-3 ft white, along coast near Cozumbo
- 1397 *C. c. var.?*
 3 2-3 ft., on plains betw. Huasco & Cozumbo
- 1398 *C. c. var.?* (= n. 1400)
 4?, 2-3 ft., plains, Cozumbo
- 1399 *C. c. var.?* [nsp?]
 4? on sandy plains Huasco & Cozumbo
- 1400 *C. sp.?* (*Cent. floccosa* H. & A.!)
 3 1-2 ft. yellow sandy plains Cozumbo.
- 1401 *Mutisia*
 3 1-2 ft. pale red, elevated mts. near town of Iloapel
- 1402 *M. elaeagnifolia?*
 3 scarlet, elevated mts. near mines of Coqueros
- ~~1403 *Helianthus*~~
~~"Coronado 7 rail" 3 1-2 ft. yellow.~~
- 1403 -
 3, elevated mts near Iloapel.
- 1404 *Helianthus?* (*Encelia canescens* var. *oblongifolia* det Blake)
 "Coronado 7 rail" 3 1-2 ft. yellow, sandy plains betw. Huasco & Coqueros - this
 is the most common plant in the north of Chile
- 1405 - var.
 3 1-2 ft. yellow mts. near the Andes Vall. of Elqui
- 1406 *Grindelia?*
 3 1-2 ft white, mts. near Coqueros
- 1407 -
 4 1-3 ft. yellow, dry places, valleys, Prov. Cozumbo.
- 1408 -
 0 1-2 ft yellow, mts near Villa Vicuña
- 1409 *Senecio?* (*Perezia discolor*)
 0.6 in. white; plains betw. Huasco & Cozumbo
- 1410 *Groenlandia*
 0.1 ft. yellow, along coast hills near Huasco abundant
- 1411 *Unxia?* (*Amblyopappus*!)
 0.6 in. yellow along coast near Huasco
- 1412 *Baccharis?*
 3 3-4 ft. white common along coast near Huasco.
- 1413 *Baccharis?*
 3 3-4 ft white. mount ravenis north of city of Cozumbo
- 1414 *Baccharis fl. lem.*
 3 1-2 ft white sandy places near the sea Bay of Cozumbo
- 1415 - (*Pleocarphus revolutus* Don!)
 3 4-6 ft yellow, valleys near the Andes, Prov. Cozumbo
- 1416 -
 4 1-2 ft pink; along coast Prov. Cozumbo - leaves transparent
- 1417 -
 3 1-3 ft white; on mts near mines of Coqueros
- 1418 - (*Polyach. Gazi* Remy!!)
 3 4-6 ft white climbing on hedges & bushes, Vall. d. Elqui
- 1419 - (*Polyac. calderensis* H.)
 3 1-3 ft. pink, on plains betw. Huasco & Cozumbo.
- 1420 *Grindelia?* (*Brachycheilos*)
 3 1-3 ft yellow, at elevated mts near town of Iloapel

- 1421 Senecio? (*S. Brunneum* ~~Hod.~~!)
 O. 1-2 ft. yellow mts. near city of Coquimbo
 1422 Senecio (*S. aff. walpoleanus* or *harkeyanus*)
 O? 1-2 ft. white with lant
 1423 Senecio
 3 1-2 ft. yellow, on mts. near the Andes, Valley of Elqui
 1424 Chaetanthera (*C. glabrata*!)
 O yellow, sandy p. and betw. Huasco & Coquimbo
 1425 Pterocarpus *Pterocarpus*?
 7 1-2 ft. purple, dry valleys near Huasco.
 1426 Sticta?
 found on rocks near sea port of Coquimbo
 1427 - for sand hills betw. Huasco & Coquimbo.

Collected by Thomas Bridges, mostly from Atacama and Coquimbo,
made between June and December, 1841

^{condemned}
A copy of Bridge's MS plant-list now in the British Museum of Nat. Hist.
with annotations by Ivan M. Johnston

- 1279 Menonvillea (= *Gymatoptera chilensis* Turcz. n. sp.)
hills betw. Copiapó and Huasco. Annual, 6 in., fl. free, yellow.
- 1280 Mathewsia biennis Bridges (= *M. biennis* Turcz. n. sp.)
hills near Los Pozos betw. Huasco and Copiapó; very rare, 1-2 ft., fl. yellow
- 1281 M. lanata Bridges, ined.
mts. near Arqueros; bush, yellow, 1 ft.
- 1282 Schizopetalum Walkeri
abundant, sandy plains, coast prov. Coquimbo; annual, white, 0.5-1.0 ft.
- 1283
same as above; 3-6 inches
- 1284
Valley of Copiapó, the "Chañar"; shrub 8-20 ft, yellow.
- 1285 Phasca
near Huasco; annual, 1 ft., white.
- 1286 Adesmia glutinosa Bridges, ined.
near Arqueros mines; rare, leaves viscous, bush 1-2 ft., yellow.
- 1287 Adesmia
valleys near coast betw. Huasco and Copiapó; annual, 1 ft., yellow.
- 1288 Adesmia
same as above; annual, 1 ft., yellow
- 1289 Adesmia
same as above; bush, 4-8 ft., yellow - "Varilla blanca"
- 1290
Arqueros mines; procumbent shrub with singular smell when green.
- 1291 Aescia
sandy plain betw. Huasco and Coquimbo; rare, shrub, 2-4 ft, purple.
- 1292
same as above; shrub 2-4 ft, yellow "Porrotillo"
- 1293
plains and sides of mts. betw Huasco and Copiapó; bush, 4-6 ft, yellow. "Algarobillo"
- 1294 (= *Dinemagonum Bridgesianum* Juss. n. sp.)
plains near Vallenar; rare, bush, 1-3 ft., yellow.
- 1295 Cassia
valleys near Vallenar; shrub 3-5 ft, yellow.
- 1296 Monnina?
plains near Huasco; shrub, 1-2 ft.

- 1297 *Cordia decandra*
common, valleys and mt. slopes near Huasco and Copiapó; shrub, 8-15 ft., white.
- 1298 *Lobelia crispa* Bridg. (= *Cyphocarpus rigescens* Miers n. sp.)
mts. near Pazguano, Valley Elqui; rare, annual, 1 ft., purple.
- 1299 *Philarina fruticosa* Bridg. (= ? *Couchshanksia*)
sand hills betw. Huasco and Coquimbo; shrub, yellow. Beautiful plant.
- 1300 *Philarina Hodsonii* Bridg.
sand hills and plains betw. Huasco and Coquimbo; perennial, yellow,
less pubescent and not shrubby
- 1301 *Philarina annua*
hills near Huasco; annual, 4-6 in., yellow.
- 1302 *Philarina albiflora*
sandy valleys near Huasco; perennial, 6 in., yellow; sepals white, yellow, or rose.
- 1303 *Bulnesia chilensis* Gay (= *Zonoptera chilensis* Turcz. n. sp.)
mts. near Chañarcillo; shrub, 4-6 ft., yellow. "Retamo".
- 1304 _____
near El Totoral betw. Huasco and Copiapó; shrub, 1-3 ft., yellow, rare, procumbent.
- 1305 _____
Valley of Elqui near the Andes, shrub, 4-8 ft., "Jarillo".
- 1306 *Cristaria glaucophylla*
sandy places along coast, prov. Coquimbo; perennial, 1-2 ft., purple
- 1307 *Cristaria repens* Bridg. (= *C. lata* Turcz. n. sp.)
sandy places along coast, prov. Coquimbo; perennial, purple.
- 1308 *Cristaria* (*grandiflora* Turcz. n. sp.)
abundant on hills and valleys betw. Copiapó and Huasco; annual, 1 ft., purple
- 1309 *Cristaria*
as above but light purple.
- 1310 *Sida* ?
Sandy places near town of Coquimbo; shrub, 2-3 ft, light purple
- 1311 (= ? *Cristaria seselifolia* Turcz. Bull. Moscou 1858:197; = *viridilutea* G. & Kun)
sandy places betw. Huasco and Copiapó, shrub, 1 ft., light purple.
- 1312 *Tecophilis coelestina* Bridg.
hills in deserts betw. Huasco and Copiapó; shrub, 1 ft., light blue. "Azulillo"
- 1313 *Tecophilis* (= *Fagonia*)
barren stony hills betw Huasco and Copiapó; shrub, red.
- 1314 *Oenothera*
sandy plains betw. Huasco and Coquimbo; annual, 1-2 ft, yellow.
- 1315 *Brodiaea narassoides*
sandy plains betw. Huasco and Copiapó; perennial, 1-2 ft., white and yellow
- 1316 *Amaryllis*
same as above; perennial, 1-2 ft, red "Ananuca lacre"

- 1317 *Ornithogalum*
sandy plains betw. Huasco and Copiapó; perennial, 1-2 ft., white.
- 1318 *Conanthera aggregata* Bridg.
sandy plains betw. Huasco and Coquimbo; perennial, 4-6 in., pale purple.
- 1319 *Conanthera vivipera* Bridg.
sandhills, abundant near Coquimbo; perennial, 1-2 ft., white.
- 1320 *Solanum* (= *Heterantherum Raiche*)
plains betw. Huasco and Copiapó, splendid sp.; perennial, 1-2 ft., dark purple.
- 1321 *Valeriana*
in valley of Huasco; shrubby, 1-2 ft.
- 1322 *Nolana alba* Bridg. (= *Nolana baccata* !~~ff~~)
abundant on sandy plains and hills betw. Copiapó and Huasco; annual, 6 in., white.
- 1323 *Nolana tenuifolia* Bridges (= ~~*Nolana*~~ *Alona coelestis*)
near coast betw. Huasco and Coquimbo; shrubby, 2-3 ft., pale blue.
- 1324 *Nolana fruticosa* Bridg. (= *Nolana divaricata*)
near coast betw. Huasco and Coquimbo; shrubby, 1-3 ft., pale blue.
- 1325 *Nolana paradoxa* ? (= *Nolana acuminata*)
near coast betw. Huasco and Coquimbo; annual, 1 ft., blue. "Cuchipapa".
- 1326 *Nolana linifolia* Bridg. (= *Alona rostrata*)
dry stony places near Vallenar; shrub, 1-2 ft, light blue
- 1327 *Nolana* "do fl. alba". (= *Alona rostrata*)
with the last
- 1328 *Nolana imbricata* Bridg. (= *Alona carnososa*)
near port of Peña Blanca betw. Huasco and Coquimbo; shrub, 1-2 ft., pale blue.
- 1329 *Nolana speciosa* Bridg. (= *Alona coelestis*)
mts. near Frierina; shrub, 1-3 ft., splendid flowers darkblue.
- 1330 *Nolana fabianioides* Bridg. (= *Nolana sedifolia*)
along coast betw. Huasco and Coquimbo; shrub, 1-3 ft, white.
- 1331 *Periphragnos* ? (= *Phrodus microphyllus* Miers rep. acc. ~~et alii~~)
dry valleys betw. Huasco and Copiapó; shrub, 3-5 ft., white.
- 1332 ~~(do)~~ var.? (= *Phrodus Bridgesii* Miers rep.)
near Frierina; shrub, 2-3 ft, white.
- 1333 ~~(do)~~ var.? (= *Phrodus nodosus* Miers rep. = *Fabiana squamuligera* Don. rep.)
near the Andes, Valley of Copiapó; shrub, 2-3 ft., white.
- 1334 *Lycium* i? (= *Implexum* Miers rep.)
near the Andes, Valley of Copiapó; shrub, 4-6 ft, white. "Carpiche".
- 1335 *Fuchsia lycioides*
near the coast betw. Huasco and Coquimbo; shrub, 4-8 ft, red.
- 1336 (= *Suaeda multiflora* Ph at Kew)
saltmarsh and valleys near Huasco and Copiapó; shrub, 3-5ft, green flowered.

- 1337 *Schinus* (*Piptocalus myrtilanthus* Turcz. n. sp.)
Valley of Elqui near Villa Vicuña, shrub, 6-15 ft.,
- 1338 *Heliotropium mollissimum* Bridg. (= *Cochranea myrtifolia* Miers n. sp.)
barren and stony hills betw. Huasco and Copiapó; shrub, white-flowered
- 1339 *H. parviflorum* Bridg. (= *Cochranea ericoides* Miers n. sp.)
mt. near Andes, Valley of Copiapó; shrub, 1 ft., white.
- 1340 *H. virgatum* Bridg. *H. floridum* Clos
sandhills betw. Copiapó and Huasco; shrub, 1-2 ft., white.
- 1341 *H. glabrum* Bridg. (= *Cochranea corymbosa* Miers n. sp.)
dry valleys and hills betw. Huasco and Copiapó; shrub; white.
- 1342 *H. arboreum* Bridg. (= *Cochranea serrata* Miers n. sp., *C. conferta* & *auriculata* Miers)
dry valleys and hills betw. Huasco and Copiapó; shrub, 4-6 ft., white.
- 1343 *H. tenuifolium* Bridg. (= *Cochranea filifolia* Miers n. sp.)
dry valleys and hills betw. Huasco and Copiapó; shrub, 3-4 ft., white
- 1344 *Calceolaria* (*dentata* var. *subincisa* Benth. n. var.) (= ? *C. paposana* Ph.?)
valleys near Frierina; shrub, 1-2 ft., yellow.
- 1345 *Gardoquia* ? *triloba* Bridg.
valley of Copiapó near the Andies, rare; shrub, 4-5 ft., white.
- 1346 *G. densiflora* Bridg.
valley near city of Vallenar; shrub, 4-6 ft., white.
- 1347 *G. laevigata* Bridg. (= *Lippia fragrans* Turcz.)
mts near Arqueros mines; shrub, 4-6 ft., white.
- 1348 *Buddleia parvifolia* Brid.
Valleys near the Andes of Coquimbo, Valley Elqui; shrub, 4-8 ft., yellow.
- 1349
sandy plains betw. Copiapó and Huasco; perennial, 1-2 ft., yellow
- 1350
mts near village of Andacolla; perennial, 1-3 ft., purple.
- 1351
mts. near Arqueros mines; perennial; yellow.
- 1352 *Citharexylum* (*ovatum* Turcz. n. sp.)
Valley of Elqui near Coquimbo; shrub, 6-10 ft., pale purple
- 1353 *Verbena rigida* Bridg. (= *Verbena polyccephala* Turcz. n. sp.; cf. *V. selaginoides*)
coast north of Coquimbo; shrub, 3-5 ft., purplish.
- 1354 *V. albiflora* Bridg. (= *Pitraea chilensis* Turcz. n. sp. et sp. = *Pitraea*)
moist places, valley of Barasa, [Limari River] Prov. Coquimbo; annual, 1-2 ft., white.
- 1355 *Schizanthus pinnatus* (= *S. pinnatifidus* Lindl. n. sp.)
along coast near Coquimbo; annual, 1-2 ft., pale purple.
- 1356 *S. nivalis* Bridg. (= *Schizanthus candidus* Lindl. n. sp.)
hills near valley of Huasco; annual, 1-2 ft., white.

- 1357 *Teucrium*
mts. and valleys near Villa Vicuña; shrub, 2-3 ft.
- 1358 *Justicia* (= *Gerardia rigida Myeriana Smith.*) 'Flor de Camaron'
marshy places near the Andes, Valle Elqui; perennial, 1-3 ft, light-purple. ^
- 1359 *Boerhaavia* ?
near the Andes, Valle Elqui; shrub, 1-3 ft., light purple.
- 1360
mts near Villa Vicuña, Valle Elqui; annual, 6 in., light purple.
- 1361 (= *Malesherbia linearifolia Poir.*)
near the Andes, Valle Elqui; having a very disagreeable odor like rancid butter, whole plant clammy, perennial, 2-3 ft., light purple.
- 1362 *Loasa lucida* Bridg. (= *Loasa elongata H.A. fil. Webb July 13. 1921*)
climbing bushes along coast near Coquimbo, annual, 4-6 ft., white.
- [1363 Missing from Bridge's list.] *Loasa elongata H.A. fil. Webb July 13. 1921*
- 1364 *Loasa linifolia* Bridg. (= *L. chilensis Gay*)
Valley of Copiapó near The Andes, rare; shrub, 1-3 ft.
- 1365 *Dimocarpus*
abundant, valleys near Huasco; shrub, 3-5 ft.
- 1366 *Bowlesia* (= *integerrima Turcz. n. sp.*)
hills betw. Huasco and Copiapó; annual, 6 in., white.
- 1367
mts near the Andes, Valle Elqui, annual, 6 in., white.
- 1368
mts. near Huasco, rare; annual, 6 in., yellow.
- 1369 *Mulinum tortuosum* Bridg. (= *Asteriscum anethoides Turcz. n. sp.*)
mts near the Andes, Valle Elqui, 4-5000 ft.; shrub, 1-2 ft, yellow.
- 1370 *M. glaucum* Bridg. (= *Asteriscum anethoides Turcz. n. sp.*)
near Illapel; shrub, 2-4 ft, yellow
- 1371 *M. giganteum* Bridg. (= *Tritaeneum nudum Turcz. n. gen. et sp. = Asteriscum*)
near Arqueros Mines; shrub, 4-6 ft., "Monte de Burro".
- 1372 *Ranunculus*
marshes near Copiapó; perennial, ~~4-6~~ 0.5-1 ft., yellow.
- 1373 *Cynoglossum* ? (= *Cryptantha gnaphalodes, in herb. DC.*)
mts. near Valley of Huasco; shrub, 1-2 ft., white.
- 1374 *Dioscorea*
sandy desert betw. Huasco and Copiapó; perennial
- 1375 (= *Neriandra angustifolia DC. n. sp. = Skystanthus*)
sandy desert betw. Huasco and Copiapó; shrub, 3-4 ft., yellow. "Cuerno de Cebra"
- 1376
climbing bushes and cacti near Valley of Huasco; shrubby.

- 1377 *Alstromeria Frierina* Bridg.
mts near Frierina; perennial, dark red. "Pato de Leon."
- 1378 *A. sp.*
sandy place near Coquimbo; perennial, 6 in., yellow. "Liro del Campo"
- 1379 *A. pallida* ?
mts near Villa Vicuña; perennial, 1 ft., light purple.
- 1380 *A. pelegrina* ?
along coast near Coquimbo; 1-3 ft., purple.
- 1381 *Tetragonia* (= ? *T. macrocarpa* at Kew)
sandy places near Huasco; annual, yellow.
- 1382 *T. sp.* (= *T. maritima* at Kew)
along coast in rocky places near port of Copiapó; shrub, 1-2 ft., yellow.
- 1383 *T. sp.* (= *angustifolia* form of *maritima* at Kew)
hills betw. Huasco and Copiapó; shrub, 1-2 ft., yellow.
- 1384 *T. sp.* (= *Frankeia* at Kew & Geneva)
valleys near Coquimbo; perennial?
- 1385 *Boerhaavia* ? (= *Tetrolema articulatum* Turgen. et Gen.) = *Frankeia* ?
valleys near Coquimbo; perennial, 1 ft., purple. Oct-Nov.
- 1386 *Viola stellata* ? (= *Viola polypoda* Turgen.)
hills near Huasco; annual, yellow.
- 1387
hills near Huasco; annual, white.
- 1388 *Pylostyles*
mts near Arqueros mines; annual, purple.
- 1389 *Salpiglossis* ? *Pteroglossis laxa* Miers n. gen. et sp.
dry stony places, Valley of Huasco; perennial, 1 ft.
- 1390
fields near Coquimbo; shrub, 6-8 ft.
- 1391
mts near Andacolla; perennial, 1-2 ft.
- 1392 *Atriplex*
near Huasco; shrub.
- 1393
near Arqueros; annual.
- 1394 *Oxylis arborea* Bridges
hills and dry valleys near Huasco; shrub, 4-5 ft., "Churco."
- 1395 *Krameria cistoidea*
hills and dry valleys near Huasco; shrub, purple "Pacul."
- 1396 *Centaurea chilensis*
along coast near Coquimbo; shrub, 2-3 ft., white
- 1397 *C. chilensis* var.
plains betw. Huasco and Coquimbo; shrub, 2-3 ft.

- 1398 *Centaurea chilensis* var. ?
plains betw. Huasco and Coquimbo; shrub ?, 2-3 ft.
- 1399 *Centaurea chilensis* var. ?
plains betw. Huasco and Coquimbo; shrub?
- 1400 *Centaurea* sp.
sandy plains betw. Huasco and Coquimbo; shrub, 1-2 ft., yellow.
- 1401 *Mutisia* (= *acerosa* Topp.)
elevated mts near Illapel; shrub, 1-2 ft, pale red.
- 1402 *M. ilicifolia* ? (in Gray Herb.)
elevate mts near Arqueros; shrub, scarlet.
- 1403
elevated mts near Illapel; shrub.
- 1404 *Helianthus* ?
sandy plains betw. Huasco and Copiapó; shrub, 1-2 ft., yellow "Corona de Fraile"
- 1405 *H.* var. ?
mts near The Andes, Valle Elqui; shrub, 1-2 ft, yellow.
- 1406 *Grindelia* ?
mts near Arqueros; shrub, 1-2 ft., white.
- 1407
dry places, valleys of Prov. Coquimbo; perennial, 1-3 ft., yellow.
- 1408
mts. near Villa Vicuña; annual, 1-2 ft., yellow.
- 1409 *Senecio* ?
plains betw. Huasco and Coquimbo
- 1410 *Graehmia* (= *Cephalophora*)
coastal hills near Huasco, abundant; annual, 1 ft., yellow.
- 1412 *Baccharis* ? (= *Kuhnia multiramea* Pucc. n. sp.)
common along coast near Huasco; shrub, 3-4 ft., white
- 1411 *Unxia* ? (= *Amblyopappus pusilla*)
coast on hills near Huasco; annual, 6 in., yellow.
- 1413 *Baccharis* ?
moist ravines north of Coquimbo; shrub, 3-4 ft., white.
- 1414 *Baccharis* fl. fm.
sandy place near sea, Bay of Coquimbo; shrub, 1-2 ft, white
- 1415
valleys near Andes, Prov. Coquimbo; shrub, 4-6 ft, yellow.
- 1416
along coast, Prov. Coquimbo; leaves transparent, perennial, 1-2 ft, pink.
- 1417
mts near Arqueros mines; shrub, 1-3 ft., white.

- 1418 (= *Polyachyris Gayi* Remy)
climbing hedges and bushes, Valle Elqui; shrubby, 4-6 ft., white.
- 1419
plains betw. Huasco and Coquimbo; shrub, 1-3 ft., pink.
- 1420 *Grindelia* ?
elevated mts near Illapel; shrub, 1-3 ft., yellow.
- 1421 *Senecio* ?
mts near Coquimbo; annual, 1-2 ft., yellow
- 1422 *Senecio*
mts near Coquimbo; annual ?, 1-2 ft., white.
- 1423 *Senecio* (= *Chuguiragua revoluta* Fielding & Gardner n. sp.)
mts near The Andes, Valle Elqui; shrub, 1-2 ft., yellow.
- 1424 *Chaetanthera*
sandy plain betw. Huasco and Coquimbo; annual, yellow.
- 1425 *Plumbago europea* ?
dry valley near Huasco; perennial, 1-2 ft., purple.
- 1426 *Sticta* ?
rocks near port of Copiapó
- 1427
sand hills between Huasco and Copiapo

END of LIST.

Bridges's numbers have been cited incorrectly and in the Hooker set at Kew have been interchanged; of Johnston, Contr. Gray Herb. [Nolanus] 112: 14 (1936).

Collections of Thomas Bridges, mostly from Atacama and Coquimbo,
made between June and December, 1841

A condensed copy of Bridge's MS plant-list now in the British Museum of Nat. Hist.,
with annotations by Ivan M. Johnston

- 1279 *Menonvillea* (= *Cymatoptera chilensis* Turcz. n. sp.)
Hills betw. Copiapó and Huasco. Annual, 6 in., fl. greenish yellow.
- 1280 *Mathewsia biennis* Bridges, ined. (= *M. biennis* Turcz. n. sp.)
Hills near Los Pozos betw. Huasco and Copiapó; very rare, 1-2 ft., fl. yellow.
- 1281 *Mathewsia lanata* Bridges, ined.
Mts. near Arqueros; bush, yellow, 1 ft.
- 1282 *Schizopetalum Walkeri*
Abundant, sandy plains, coast prov. Coquimbo; annual, white, 0.5-1.0 ft.
- 1283
Same as above; 3-6 inches.
- 1284
Valley of Copiapó, the "Chañar"; shrub 8-20 ft., yellow.
- 1285 *Phaca*
Near Huasco; annual, 1 ft., white.
- 1286 *Adesmia glutinosa* Bridges, ined.
Near Arqueros mines; rare, leaves viscous, bush 1-2 ft., yellow.
- 1287 *Adesmia*
Valleys near coast betw. Huasco and Copiapó; annual, 1 ft., yellow.
- 1288 *Adesmia*
Same as above; annual, 1 ft., yellow.
- 1289 *Adesmia*
Same as above; bush, 4-8 ft., yellow - "Varilla blanca."
- 1290
Arqueros mines; procumbent shrub with singular smell when green.
- 1291 *Acacia*
Sandy plain betw. Huasco and Coquimbo; rare, shrub, 2-4 ft., purple.
- 1292
Same as above; shrub 2-4 ft., yellow "Porrotillo."
- 1293
Plains and sides of mts. betw. Huasco and Copiapó; bush, 4-6 ft., yellow
"Algarrobillo."
- 1294 (= *Dinemagonum Bridgesianum* Juss. n. sp.)
Plains near Vallenar; rare, bush, 1-3 ft., yellow.
- 1295 *Cassia*
Valleys near Vallenar; shrub 3-5 ft., yellow.

- 1296 *Monnina?*
Plains near Huasco; shrub, 1-2 ft.
- 1297 *Cordia decandra*
Common, valleys and mt. slopes near Huasco and Copiapó; shrub, 8-15 ft., white.
- 1298 *Lobelia crispa* Bridges, ined. (= *Cyphocarpus rigescens* Miers n. sp.)
Mts. near Pazguano, Valley Elqui; rare, annual, 1 ft., purple.
- 1299 *Phylarina fruticosa* Bridges, ined. (= ?*Cruckshanksia*)
Sand hills betw. Huasco and Coquimbo; shrub, yellow. Beautiful plant.
- 1300 *Phylarina Rodsonii* Bridges, ined.
Sand hills and plains betw. Huasco and Coquimbo; perennial, yellow, less pubescent and not shrubby.
- 1301 *Phylarina annua*
Hills near Huasco; annual, 4-6 in., yellow.
- 1302 *Phylarina albiflora*
Sandy valleys near Huasco; perennial, 6 in., yellow; sepals white, yellow, or rose.
- 1303 (= *Gomptera chilensis* Turcz. n. sp.)
Mts. near Chañarcillo; shrub, 4-6 ft., yellow, "Retamo."
- 1304
Near El Totoral betw. Huasco and Copiapó; shrub, 1-3 ft., yellow, rare, procumbent.
- 1305
Valley of Elqui near the Andes, shrub, 4-8 ft., "Jarillo."
- 1306 *Cristaria glaucophylla*
Sandy places along coast, prov. Coquimbo; perennial, 1-2 ft., purple.
- 1307 *Cristaria repens* Bridges, ined. (= *C. lata* Turcz. n. sp.)
Sandy places along coast, prov. Coquimbo; perennial, purple.
- 1308 *Cristaria*(= *grandiflora* Turcz. n. sp.)
Abundant on hills and valleys betw. Copiapó and Huasco; annual, 1 ft., purple.
- 1309 *Cristaria*
As above, but light purple.
- 1310 *Sida* ?
Sandy places near town of Coquimbo; shrub, 2-3 ft., light purple.
- 1311 (= *Cristaria seselifolia* Turcz. Bull. Moscou 1858: 197, = *viridilutea* at Kew)
Sandy places betw. Huasco and Copiapó, shrub, 1 ft., light purple.
- 1312 *Tecophilina coelestina* Bridges, ined.
Hills in deserts betw. Huasco and Copiapó; 1 ft., light blue. "Azulillo."
- 1313 *Tecophilina* (= *Fagonia*)
Barren stony hills betw. Huasco and Copiapó; shrub, red.

- 1314 *Oenothera*
Sandy plains betw. Huasco and Coquimbo; annual, 1 - 2 ft., yellow.
- 1315 *Brodiaea narassoides*
Sandy plains betw. Huasco and Copiapó; perennial, 1 - 2 ft., white and yellow.
- 1316 *Amaryllis*
Same as above; perennial, 1-2 ft., red. "Anamuca lacre."
- 1317 *Ornithogalum*
Sandy plains betw. Huasco and Copiapó; perennial, 1-2 ft., white.
- 1318 *Conanthera aggregata* Bridges, ined.
Sandy plains betw. Huasco and Coquimbo; perennial, 4-6 in., pale purple.
- 1319 *Conanthera vivipera* Bridges, ined.
Sandhills, abundant near Coquimbo; perennial, 1-2 ft., white.
- 1320 *Solanum* (= *heterantherum* Reiche)
Plains betw. Huasco and Copiapó, splendid sp.; perennial, 1-2 ft., dark purple.
- 1321 *Valeriana*
In valley of Huasco; shrubby, 1-2 ft.
- 1322 *Nolana alba* Bridges, ined. (= *Nolana baccata*!)
Abundant on sandy plains and hills betw. Copiapó and Huasco; annual, 6 in., white.
- 1323 *Nolana tenuifolia* Bridges, ined. (= *Alona coelestis*)
Near coast betw. Huasco and Coquimbo; shrubby, 2-3 ft., pale blue.
- 1324 *Nolana fruticosa* Bridges, ined. (= *Nolana divaricata*)
Near coast betw. Huasco and Coquimbo; shrubby, 1-3 ft., pale blue.
- 1325 *Nolana paradoxa*? (= *Nolana acuminata*)
Near coast betw. Huasco and Coquimbo; annual, 1 ft., blue. "Cuchipapa."
- 1326 *Nolana linifolia* Bridges, ined. (= *Alona rostrata*)
Dry stony places near Vallenar; shrub, 1-2 ft., light blue.
- 1327 *Nolana* "do fl. alba." (= *Alona rostrata*)
With the last.
- 1328 *Nolana imbricata* Bridges, ined. (= *Alona carnosae*)
Near port of Peña Blanca betw. Huasco and Coquimbo; shrub, 1-2 ft., pale blue.
- 1329 *Nolana speciosa* Bridges, ined. (= *Alona coelestis*)
Mts. near Frierina; shrub, 1-3 ft., splendid flowers, dark blue.
- 1330 *Nolana fabianioides* Bridges, ined. (= *Nolana sedifolia*)
Along coast betw. Huasco and Coquimbo; shrub, 1-3 ft., white.
- 1331 *Periphragnos*? (= *Phrodus microphyllus* Miers n. sp., acc. citation)
Dry valleys betw. Huasco and Copiapó; shrub, 3-5 ft., white.
- 1332 *Periphragnos* var.? (= *Phrodus Bridgesii* Miers n. sp.)
Near Frierina; shrub, 2-3 ft., white.
- 1333 *Periphragnos* var.? (= *Phrodus nodosus* Miers, n. sp. = *Fabiana squamuligera* Dun. n. sp.)
Near the Andes, Valley of Copiapó; shrub, 2-3 ft., white.

- 1334 *Lycium* ? (= *implexum* Miers, n. sp.)
Near the Andes, Valley of Copiapó; shrub, 4-6 ft., white. "Carpiche."
- 1335 *Fuchsia lycioides*
Near the coast betw. Huasco and Coquimbo; shrub, 4-8 ft., red.
- 1336 (= *Suaeda multiflora* Ph. at Kew)
Saltmarsh and valleys near Huasco and Copiapó; shrub, 3-5 ft., green-flowered.
- 1337 *Schinus* (*Piptocelus* ? *myrianthus* Turcz., n. sp.)
Valley of Elqui near Villa Vicuña, shrub, 6-15 ft.
- 1338 *Heliotropium mollissimum* Bridges, ined. (= *Cochranea mysotifolia* Miers, n. sp.)
Barren and stony hills betw. Huasco and Copiapó; shrub, white-flowered.
- 1339 *Heliotropium parviflorum* Bridges, ined. (= *Cochranea ericoidea* Miers, n. sp.)
Mt. near Andes, Valley of Copiapó; shrub, 1 ft., white.
- 1340 *Heliotropium virgatum* Bridges, ined. (= *H. floridum* Clos)
Sandhills betw. Copiapó and Huasco; shrub, 1-2 ft., white.
- 1341 *Heliotropium glabrum* Bridges, ined. (= *Cochranea corymbosa* Miers, n. sp.)
Dry valleys and hills betw. Huasco and Copiapó; shrub; white.
- 1342 *Heliotropium arboreum* Bridges, ined. (= *Cochranea sinuata* Miers, n. sp.,
C. conferta var. *auriculata* Miers)
Dry valleys and hills betw. Huasco and Copiapó; shrub, 4-6 ft., white.
- 1343 *Heliotropium tenuifolium* Bridges, ined. (= *Cochranea filifolia* Miers, n. sp.)
Dry valleys and hills betw. Huasco and Copiapó; shrub, 3-4 ft., white.
- 1344 *Calceolaria* (*dentata* var. *subincisa* Benth. n. var.) (= ? *C. paposana* Ph. ?)
Valleys near Frierina; shrub, 1-2 ft., yellow.
- 1345 *Cardoquia* ? *triloba* Bridges, ined.
Valley of Copiapó near the Andes, rare; shrub, 4-5 ft., white.
- 1346 *Cardoquia densiflora* Bridges, ined.
Valley near city of Vallenar; shrub, 4-6 ft., white.
- 1347 *Cardoquia laevigata* Bridges, ined. (= *Lippia* ^f *gragens* Turcz.)
Mts. near Arqueros mines; shrub, 4-6 ft., white.
- 1348 *Buddleia parvifolia* Bridges, ined.
